

Waterford Public Participation Network (PPN): Plenary meeting November/December 2020

Via email

Meeting report

Summary

A difficult year because of the pandemic; PPN played a key role in disseminating information from a variety of sources; good engagement from PPN members; 2019 Plenary report, 2020 Work Plan, financial report and Secretariat report all approved.

Detail

As a result of the pandemic and ban of public gatherings the PPN Secretariat decided to hold the 2020 Plenary meeting by email – it was thought that we would get a better reach and engagement via email as opposed to a virtual meeting. This proved to be the case with a great deal of feedback.

Coordinators emailed the following documents to all PPN groups inviting comment, feedback, questions etc:

- The report on the October 2019 Plenary meeting held in the Park Hotel, Dungarvan;
- The 2019 budget;
- The PPN 2020 Work Plan;
- The Annual Secretariat report on activities etc.

Feedback was positive and varied. All documentation approved.
