Safe School Programme		Been informed that engagement has been taken place with 4 schools	
Park and Ride Facilities at Mahon Falls		The council are awaiting a decision from An Board Pleanála	
Street lighting ,Tramore Area		A commitment was given that it was in hand and should be complied, by possibly September.	
Active Travel	A presentation was given and Fergus updated on the plan and the various strands attached to the plan. A team is in the process of being formed which includes a Communication and Behavioral Change specialist. In the Q/A session that followed I questioned the role	I was informed by Fergus that the role would include engaging with the public and various organizations during public consultation on projects affecting the community and to drive the projects in a positive way in the community's. Elaine requested that the council commit to more and better community involvement and that the council should have a robust consultation policy.	

	and function of this person?	Fergus acknowledge there will be going forward.	
Transport and car parking	<p>Debate around car parking, reduced charges for those working in the city.</p> <p>Under the bus connects project the need for a proper park and ride facility is required to achieve a way forward. Park and Ride facility could also be a focal point for the new rent a cycle hire system being launched. Park and Ride facility to include review of getting to our Waterford hospital. It was also questioned as to what the council can do to eliminate the fear especially around older population of e-scooters.</p>	<p>Elaine pointed out that there need to be enhanced sustainability transport policy that encourages people to use public transportation, cycling or walking to the city.</p> <p>Fergus outlined the council constrains around policing e-scooters. In relation to speeding of traffic in built up areas a review is due with the next year to complete the plan. While many councilors and the SPC members agreed that it was good to see business recommence concerns were raised in relation to hazards which have occurred in relation to health and safety on footpaths and walkways. In many cases steel plates are protruding out beyond the barriers of the surrounds, business will be required to rectify these issues ASAP.</p>	
	It was acknowledged that there is a lot of work to be completed and it was suggested that would another working groups help to move things along.	Fergus replied to say that the PPN is a working group and that he did not think that there would be benefit by having another tier.
